

Micro KC

Counting Industrial Floor Scale

With a simple user-friendly keypad that simplifies weighing, the KC counting floor scale has the capability of performing piece-counting; unit weighing, and unit conversion. The KC Floor scale has a low-profile design that is suitable for industrial applications in a variety of industries including food, pharmaceuticals, manufacturing, transportation & logistics, and many more.

A durable mild steel powder-coated weighing platform and mountable ABS indicator make this scale suitable for a wide variety of weighing applications. The large 3 backlit displays is visible in most settings and has a tiltable display, which allows easy use.

Features

- Instant display of quantity, unit weight, and total weight
