

# Micro QHD30

## Dual Counting Scale

The QHD30 dual-counting scale offers the ability to quickly count coins and small items delivering speedy, accurate results. The scale includes a rechargeable battery, so it can be operated when mains power is unavailable.

Memory accumulation keeps track of amount totals, displaying the figures on a backlit LCD that is readily visible in any lighting conditions. The scale's durable stainless-steel platform is easy to clean, while its large size accommodates a variety of container sizes. The scale features 3 displays that reflect Weight; Unit weight and Count amount.
