

Micro T7E

Industrial Floor Scale

With a full user-friendly keypad that simplifies weighing and sample entry, the T7E Floor scale has the capability of performing accurate weighing's. The T7E Floor scale has a low-profile design that is suitable for industrial applications in a variety of industries including food, pharmaceuticals, manufacturing, transportation & logistics, and many more.

A durable mild steel powder-coated weighing platform and mountable ABS indicator make the T7E suitable for a wide variety of weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.
