

Micro ZCC

Coin Counting Scale

The ZCC coin-counting scale offers the ability to quickly count coins and tokens, delivering speedy, accurate results. The scale includes a rechargeable battery, so it can be operated when the main power is unavailable.

Memory accumulation keeps track of amount totals, displaying the figures on a backlit LCD that is readily visible in any lighting conditions. The scale's durable stainless-steel platform is easy to clean, while its large size accommodates a variety of container sizes.

Features

- Vivid, backlit LCD easily visible in any lighting conditions
- Memory accumulation totals coin values
- Adjustable levelling feet help optimize setup
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Large, grade 304 stainless steel pan allows easy cleaning
