

# Fold-Down with A12E Indicator

## Carcass Scale

The A12E Folddown Carcass scale is an ideal scale for abattoirs and butcheries for weighing of beef, pork, lamb, and goat carcasses. This scale is fitted with a stainless-steel platform and 4 Hooks which is splash-proof.

This durable scale is fitted with both weighing hooks and a weighing platform for two-fold weighing. The Stainless-steel design makes for easy to clean after weighing carcasses or messy items, with a rechargeable battery and AC operation to ensure operations can continue without power

### Features

- Vivid, LED Display easily visible in any lighting conditions
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Large, grade 304 stainless steel pan allows easy cleaning
- Rugged construction stands up to industrial use
- Zero-tracking feature ensures display returns to zero reading
- Power: Rechargeable Battery/Mains
- Maximum Capacity 300Kg x 100g

### Applications

- Weighing
