

ATW-30

Bench Scale

The ATW bench scale provides excellent performance for quick, basic weighing needs. This scale is ideal for office, production, and warehouse use with its robust ABS plastic housing and stainless-steel top pan that provides for quick easy cleaning.

This scale features a 24mm LCD white LED backlight display viewable in most environments. The ATW bench scale is powered by the included AC adapter or internal rechargeable battery.

Features

- 24mm LCD white LED backlight display
- Standard rechargeable Battery
- Simple key operation allows for easy setup and operation
- Top Plate: Stainless Steel Cover
- External calibration allows for adjustments with weights

Applications

- Weighing
