

CCB9

Counting Platform Scale

The CCB9 Counting Platform Scale is a fully featured counting scale with a numeric keypad for unit weight and sample entry. The large, brightly backlit display shows unit weight, total weight, and the number of pieces.

This counting scale provides a durable, reliable solution for industrial counting tasks with a grade 304 stainless steel pan and pillar-mounted ABS plastic indicator. Power is supplied by a mains power cord or the built-in, rechargeable battery.
