

CPTH

Pole Price Computing Retail Scale

With ABS plastic construction and stainless-steel top pan, the easy-to-clean CPTH Price computing scale provides an ideal weighing solution for retail operations. Well-suited for deli or catering use.

The CPTH contains 3 highly visible backlit LCD displays to show weight, unit price, and total price. The CPTH features an extended display pole rechargeable battery and an auto power-off feature making this scale an excellent choice for market stands.
