

CWB7 LP Series

Floor Scale

With a full user-friendly keypad that simplifies weighing and sample entry, the CWB7 LP Floor scale can perform accurate weighing. The CWB7 LP Floor scale has a low-profile design with an optional Fixed or Detachable top for easy cleaning, making this floor scale suitable for industrial applications in a variety of industries including food, pharmaceuticals, manufacturing, transportation & logistics, and many more.

A durable mild steel powder-coated weighing platform and mountable ABS indicator make it suitable for a wide variety of weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.
