

CWB7 Series

Platform Scale

With a full user-friendly keypad that simplifies weighing and sample entry, the CWB7 Platform scale has the capability of performing accurate weighing. This industrial Platform scale is ideal for manufacturing, food processing, stock management, and inventory control procedures in a warehouse or factory environments.

A durable stainless-steel platform and pillar-mounted ABS indicator make the CWB7 suitable for a wide variety of weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.
