

HF QAL-DCS

Bench Scale

With a full user-friendly keypad that simplifies weighing and sample entry, the HF QAL Platform scale has the capability of performing accurate weighing. This compact industrial Platform scale is ideal for manufacturing, food processing, stock management, and inventory control procedures in warehouse or factory environments.

A durable stainless-steel platform and pillar-mounted ABS indicator make the HF QAL suitable for a wide variety of weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.

Features

- Capacities available 30kg / 60kg
- Large easy-to-read LCD display visible in any lighting conditions
- Adjustable levelling feet help optimize setup
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
