

Micro A12ESS

Stainless Steel Industrial Floor Scale

With a full user-friendly keypad that simplifies weighing and sample entry, the A12ESS Floor scale has the capability of performing accurate weighing. The A12ESS Floor scale has a low-profile design that is suitable for industrial applications in a variety of industries including food, pharmaceuticals, manufacturing, transportation & logistics, and many more.

A durable stainless steel weighing platform and mountable S/S indicator make this scale suitable for a wide variety of weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.
