

Micro QSP (Tower)

Price Computing (Non-Printing) Scale

With ABS plastic construction and a stainless-steel top pan, the easy-to-clean Micro QSP scale provides an ideal weighing solution for retail operations.

It is well-suited for deli or catering use. The QSP contains a highly visible backlit LCD to show weight, unit price, and total. The QSP's rechargeable battery and auto power-off feature make this scale an excellent choice for market stands.

Features

- Backlit 20mm LCD shows weight, unit price, and total price
- Weight, Unit price, and total price pole for extra visibility
- Adjustable levelling feet that help optimize setup
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Functions: Pre-set Tare, Accumulation, Change dispensing

Applications

- Weighing
- Price Computing
