

# Micro RLS-1100

## Price Computing Printing Scale

With ABS plastic construction and a stainless-steel top pan, the easy-to-clean RLS-1100 scale provides an ideal weighing solution for retail operations. Well-suited for deli or catering use.

This scale has a highly visible backlit LCD display to show weight, unit price, and total. A rear display mounts on a pillar or on the back of the scale, allowing customers to view and verify totals. For efficient customer service. This scale can store up to 112 of the most popular products and recall them with a few keystrokes.

### Features

- Backlit LCD shows weight, unit price, and total price, to provide the key information simultaneously
- Rear display mounted on a pillar or back of the scale lets customers see key data
- Adjustable levelling feet help optimize setup
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Product look-up (PLU) memory locations store a range of items for recall
- Auto-print, Price Tag Print, Pre-Pack Print
- Barcode Print, Totals Print - By Item or Department

### Applications

- Weighing
- Price Computing
