

Micro SS30

Stainless-Steel Check Weigher Scale

Ideal for industrial, agricultural, and food processing facilities, the SS30 scale features an IP68-rated fully waterproof housing and a large stainless-steel weighing pan.

Precision load technology enables improved performance and greater efficiency during weighing. This scale is powered by an AC adapter or rechargeable battery, and auto power-off conserves battery life.

Features

- Vivid, LED easily visible in any lighting conditions
- Adjustable levelling feet help optimize setup
- Hi/Lo Function with Beeper
- Large, grade 304 stainless steel pan allows easy cleaning
- Solid Steel housing is durable for industrial use
- External calibration allows for easy calibrations and adjustment with weights
- Simple operation allows quick start up and use with little or no training
- Zero-tracking feature ensures display returns to zero reading
