

Micro T7E

Indicator

The T7E indicator is an entry-level indicator that can be a dash or pole-mounted, with its Industrial grade ABS housing and large LED digital display make this indicator well suited for industrial use.

The indicator can be used for simple weight-checking and printing functions, with its large 51mm bright LED Display making this indicator well-suited for most environments.

Features

- Large 51mm Bright red LED display
- Power: Rechargeable Battery / Mains
- Functions: Tare | Zero | Accumulation
- RS232 Continuous Mode
- Battery & Mains operated
- Various Capacity Set-up
- Hi-Lo function with alarm

Applications

- Weighing
