

Micro T7E

Platform Scale

With a full user-friendly keypad that simplifies weighing and sample entry, the T7E Platform scale has the capability of performing accurate weighing. This industrial Platform scale is ideal for manufacturing, stock management and inventory control procedures in warehouse or factory environments.

A durable stainless-steel platform and pillar-mounted ABS indicator make the T7 suitable for a wide range of weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.

Features

- Capacities available 60kg / 150kg / 300kg / 600kg
- Large easy-to-read display visible in any lighting conditions
- Adjustable levelling feet help optimize setup
