

# Pallet-Jack With A12 Indicator

## Pallet-Jack Scale

Designed for commercial and industrial use, the A12 pallet jack scale offers the durability and convenience needed in commercial and industrial settings. The A12 pallet jack scale facilitates the transport of items from one place to another in warehouses, shipping departments, or on production floors.

This scale is equipped with steel pallet forks, non-marring polyurethane wheels, and a zero-radius pivoting handle. With a bright LED display that is easily visible in different lighting levels, the A12 pallet jack scale offers a wide range of features and functions to provide fast, accurate results.

## Features

- Vivid, backlit LED display easily visible in any lighting conditions
- Wheels swivel, allowing easy movement
- Rechargeable battery included for operation almost anywhere
- Zero-tracking feature ensures display returns to zero reading

## Applications

- Weighing
