

Accurately Weighing Africa

W113

Floor Checkweighing Scale

Sasco is a dynamic weighing solutions focused company which procures and supports a leading range of globally sourced industrial weighing technologies. Sasco has the highest metrological ranking of any Southern and Central African company, and as a result of our experience gained through 100 years of operation, we are uniquely positioned to specify and supply optimal weighing equipment, automation and weighing information data solutions to Southern and Central Africa's leading industrial companies. Sasco reputation has been built on innovation and choice underpinned by professionalism, modernity and experience.

GENERAL

With a full user friendly keypad that simplifies weighing and sample entry, the W113 Platform scale has the capabilities of performing counting / percentage weighing / animal weighing and peak hold. Ideal for manufacturing, food processing, stock management and inventory control procedures in warehouse or factory environments.

A durable stainless steel platform and pillar-mounted metal powder coated indicator makes the W113 suitable for a wide weighing applications. The large backlit display is visible in most settings and has a tiltable display, which allows easy use.

W113 Models are trade approved systems.

APPLICATIONS

- Weighing
- Percentage weighing
- Performing counting weighing
- Animal weighing
- Peak hold weighing

FEATURES

- 60kg / 150kg / 300kg / 600kg
- Large easy -to-read LED display visible in any lighting conditions
- Programmable backlight can be set to “always on,” “always off” or “light only when weighing”
- Check weighing programmable sound to clearly indicate under, over and acceptable limits
- Adjustable levelling feet help optimise setup
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Large, grade 304 stainless steel pan allows easy cleaning
- RS-232 interface for connection to computers and printers
- Sealed indicator protects against dirt and accidental spills
- Audible overload alarm warns when capacity has been exceeded
- Multiple weighing units
- Programmable counting in 1;2;10;20;50g to optimize site specific calibration
- Present tare function speeds the process of repetitive weighing
- Zero-tracking feature ensures display returns to zero reading
- Rechargeable 12V battery included for operation almost anywhere up to 72h continuous use
- Programmable auto power-off to save energy

The W113 Platform scale has the capabilities of performing counting /percentage weighing/animal weighing and peak hold.

GENERAL SPECIFICATIONS

- Weighing units: g, kg, lb
- Interface: RS-232
- Calibration: External calibration
- Operating Temperature: -10° to 40°C
- Display: Backlit LED with 20mm-high digits
- Housing: Powder coated metal frame / Stainless Steel Top Plate
- Power Supply: Mains power cord / internal rechargeable battery

WEIGHT AND DIMENSIONS

- Net Weight: 8.28kg
- Product Dims: 390x530x420mm

MODELS

Model	Capacity	Readability	Base Size
W113	60kg	1;2;10;20;50g	400mm x 500mm
W113	150kg	1;2;10;20;50g	400mm x 500mm
W113	300kg	1;2;10;20;50g	450mm x 600mm
W113	500kg	1;2;10;20;50g	600mm x 600mm
W1134	600kg	1;2;10;20;50g	600mm x 500mm
