

Tscale T-28 III

Bench Scale

The T-28 Table Weighing Scale provides excellent performance for quick, basic weighing needs. The T-28 bench scale is ideal for catering, office, production, warehouse, or field use, as it is powered by the included AC adapter or internal rechargeable battery.

The scale is fitted with a large 25mm LCD white LED backlight display. The scale features a HI/LOW/OK programmable target function with a colour-changing display that is easily visible in most environments.
