

W113 Indicator

Digital Indicator

The W113 is an entry-level indicator and can be dash or pole mounted. The W113 comes in a steel housing making the W113 suitable for a wide range of weighing applications.

Features

- Large easy-to-read LED display visible in any lighting conditions
- Programmable backlight can be set to “always on”, “always off” or “light only when weighing”
- Check weighing with programmable sound to clearly indicate under, over and acceptable limits
- Audible overload alarm warning when the scale capacity has been exceeded
- Pre-set tare function speeds up the process of repetitive weighing
- Zero-tracking feature ensures the display to return to zero reading
- Programmable auto power-off function to save energy

Applications

- Weighing
