

# 330 Counting

## Counting Scale

The 330 coin-counting scale offers the ability to quickly count coins and tokens, delivering speedy, accurate results. The scale includes a rechargeable battery, so it can be operated when mains power is unavailable.

Memory accumulation keeps track of amount totals, displaying the figures on a Large 24mm LCD, white LED backlight display that is readily visible in any lighting conditions. The scale's durable stainless steel platform is easy to clean, while its large size accommodates a variety of container sizes.
