

Surge Protection

Surge Protection kit

Modern weighing systems rely heavily on highperformance electronic components, which equally increase these components' vulnerability to disruption and damage that can be caused by power surges.

The Sasco Surge protection kit provides you with all the basic Surge protection components to protect you weighing system. We suggest this kit is ordered in conjunction with the Sasco Lightning Protection kit for optimal use.

This kit Includes:

- 3 Way Multiplug
- Denguard
- Dengap
- 1 KVA UPS
- Male & Female IEC Cable 1.8m

Applications

• Basic Surge Protection
